

Doug joined AID Upstate in September 2017 as Medical Director. In his role, he provides HIV specialty care to patients and oversees the administrative functions for medical care delivery. The medical care department works as a team to assist patients in achieving healthy outcomes.

Doug has worked extensively with AID Upstate over the past 20 years in his profession as both a registered nurse and then a nurse practitioner. He served on the Board of Directors of AID Upstate from 1999-2007. Doug received the annual AID Upstate "Unsung Hero" Award in 2007 for his dedication to improving the lives of those living with HIV in Upstate.

Prior to joining AID Upstate, Doug worked at the Greenville Health System as a registered nurse and then nurse practitioner for 27 years. As a nurse practitioner, he worked with the GHS Infectious Disease Associates from 2000-2014 and the GHS Cancer Institute from 2014-2017 providing health care to those specialty populations.

**Q: What do you enjoy doing in your free time away from the office?**

**A:** In my free time my partner and I love to run! I especially enjoy trail running on Paris Mountain. We both drive our MINI Cooper's way too fast in the mountains. We camp frequently in the mountains or at Edisto Island Beach. Finally, we love dogs!

**Q: What do you hope visitors will take away about our organization?**

**A:** My hope is that others will see our organization's commitment to serving our clients in an honest, empathetic, and team-oriented atmosphere.
